Born: US; 1910

Died: US; 1956

Daughter of Thanhouser studio stars Harry Benham and Ethyle Cook, younger sister of Thanhouser boy player Leland Benham [\[qv\]](#)

One of the screen babies who made a splash in the early silent period (silent splashes are possible – I'm sure they must be). Contemporary ones from Thanhouser were Helen Badgley and Marie Eline [\[qv\]](#). Nothing else is known of her.

Rescued from who knows what calamity in "**A PULLMAN NIGHTMARE**"
