

Anna Chlumsky

Titles: 2 Sources: 2 Stills: 8

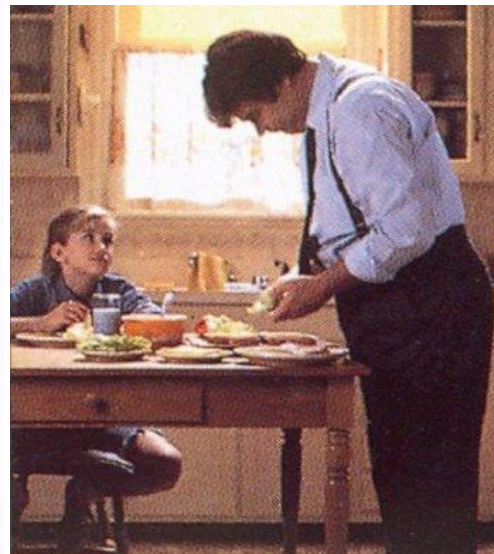

Born: US; c1981

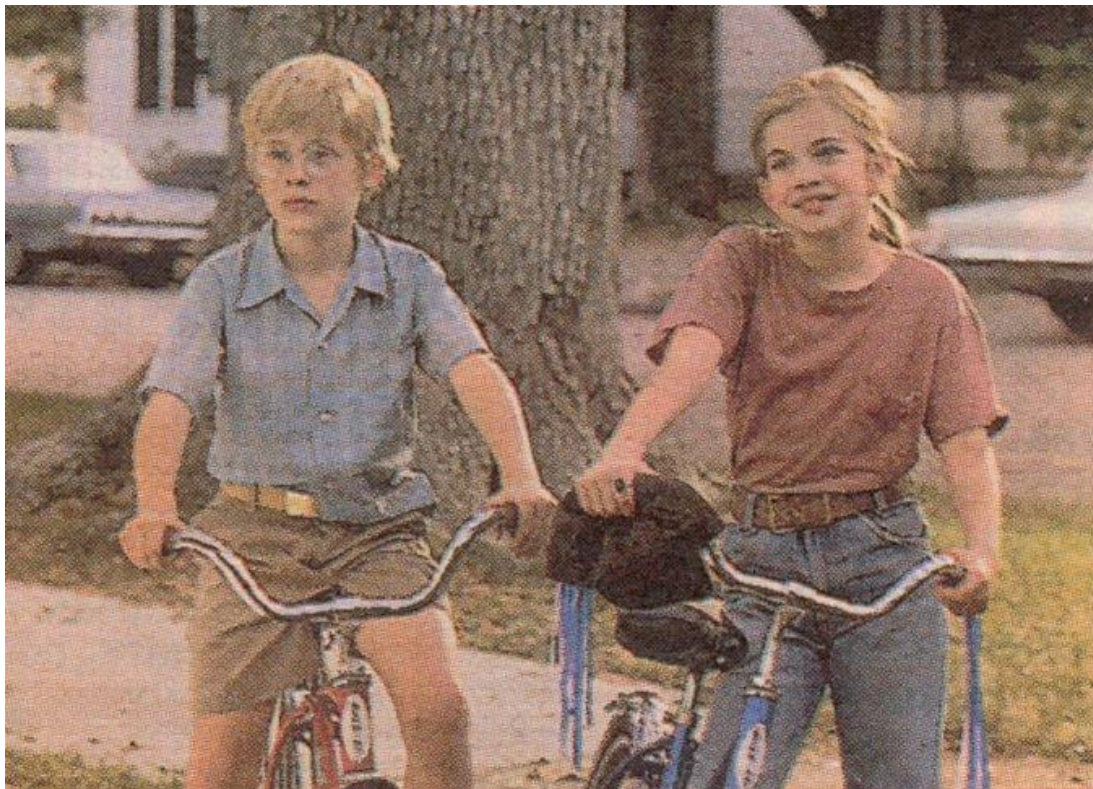

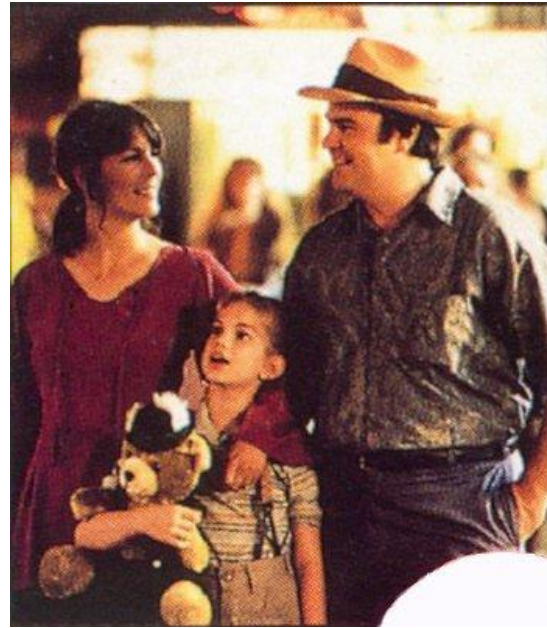

Attracted generally favourable critical notices in her debut role as the 11-year old central character of **"MY GIRL"**, a hypochondriac daughter of a widowed small-town mortician who blames herself for her mother's death in childbirth, nurtures a passion for her poetry tutor, and befriends delicate boy-next-door Macaulay Culkin. Nothing else is known of her.

Cast alongside Dan Aykroyd, Jamie Lee Curtis, Griffin Dunne and the latest hot item Macaulay Culkin, she had an uphill task making her own mark in "MY GIRL". A lame sequel followed three years later, but not much else.
