Excerpt from **International Film Guide 1978**
comment on "HET DEBUUT":

"...The story tells of a man in his forties who is diverted by the sexual charms of a fourteen-year old girl, Caroline. Behind the fragile, idyllic consistency of this relationship, the female characters in the film are sharply and intelligently depicted. Nouchka van Brakel knows how to give her story impact through an accumulation of significant details."

"Marina de Graaf makes a very promising debut" - **Speelfilm Encyclopedie**
