Titles: 1      Sources: 0      Stills: 2

Born: UK

In **"THE BATTLE OF THE VILLA FIORITA"** she plays Debby, the youngest of three children conspiring to prevent their respective parents marrying. She sells a prize pony she's won so that she and elder brother Martin Stephens can tear off to Italy and rescue their mother from sin. Nothing else is known about her.

Poor quality stills, but the only ones of her available. Left: hugged by would-be stepfather Rossano Brazzi while her mother and brother (Martin Stephens) look on resentfully. Source: The Warner Bros Story  
Right: studying the freshly-spanked bottom of Olivia Hussey, Brazzi's daughter from a former marriage. She only escapes a localised tanning herself by the expedient of throwing up over Brazzi. Source: indeterminate website
