

Helen Grieve

Titles: 1 Sources: 0 Stills: 2

Born: Australia ?

I've inferred her name from the cast order in some reviews of "**BUSH CHRISTMAS**", where she played the token girl among five children who pursue horse thieves to a ghost town in the Outback over the Christmas holidays. Nothing else is known of her.

Not very high quality stills, but they're the only ones as yet discovered. She's pictured above with left to right: Neza Saunders, Michael Yardley, Nicky Yardley and Morris Unicomb.
