Excerpt from **The Moving Picture Boy** entry on Roy Royston (1899-1976):

“...Roy’s younger brother Gerald Royston also appeared in a handful of films, including a 1914 version of **"LITTLE LORD FAUNTLEROY"** where he took over the name part from the originally scheduled child star Joan Morgan. (She was to become a leading actress of the early 1920s and a successful novelist and playwright, still very much alive and well in 1996.)
