The Silents Majority website caption:

“Doreen Turner, Buster Brown (Arthur Trimble) and "Tige." Trimble starred in the "**Buster Brown Comedies**" (Sten Brothers, for Universal, 1925-29). Gus Meins, the creator of the popular comic-strip character, directed a number of the two-reelers. If Tige looks familiar, it is because he's Pete the Pup who divided his time between Universal and the Hal Roach studios for the **Our Gang** series.”
